# NOTE FROM THE PRESIDENT

Greetings,

I am honored to welcome you all to the first-ever inter-collegiate off-road racing competition in Pakistan, the SMME Piston Cup. As the President, it is a privilege to be at the helm of an organization that has mustered enough courage to foster a novel idea into reality by putting in enormous effort and time. The SMME Piston Cup shall become the embodiment of the inception of a bold idea, an idea that challenges the status quo and opens new horizons.

But we need adventurers willing to drive into these uncharted horizons. Therefore, to the universities of Pakistan and their brilliant students, we extend our invitation to take part in this exciting journey as we clear hurdles, leap over obstacles, and create historical moments.

As the president of this organization, it is my vision to witness the success of this competition. The road is long and arduous, but we must keep the light of hope shining. I end my note with a line from Dylan Thomas's poem, "Do not go gentle into that good night. Rage, rage against the dying of the light."

Sincerely,

**Muhammad Asneef Majeed**  
President | SMME Piston Cup

# NUST

## AT A GLANCE

National University of Sciences and Technology is Pakistan's top ranked higher education institution

Ranked  
**334th Globally** and is **61st**  
among the  
**Fastest growing** universities  
under 50

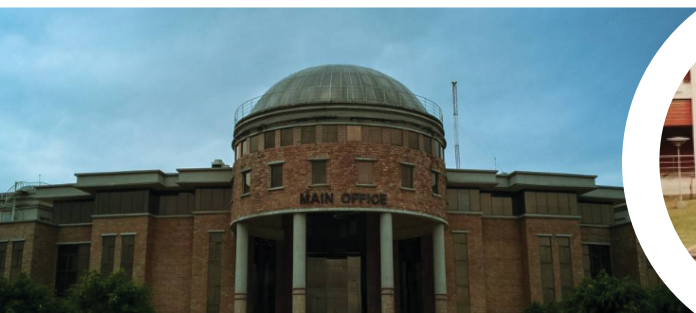

Comprising of  
**23 Primary schools and colleges**

NUST's student body encompasses more than  
**16,000 of the best minds**

Housed by the capital of the country, NUST builds an  
**Alliance with as many as 132 international universities, organizations of 32 different countries** and is home to research exchange students from all over the world

The institution continues to strive for an international education perspective following its philosophy of **defining futures**

# FORMAL INVITATION

It is with great pleasure that we extend an invitation for the much-awaited SMME Piston Cup held for the first time in the history of Pakistan at NUST H-12 Campus.

We are honoured to be hosting some of the most talented and skilled racers from all around the country. This event promises to be an exciting and unforgettable experience for all participants and spectators. We are putting our efforts day and night to ensure that the event is not only competitive but also safe and fair for all racers.

With the registration time stretching all the way to March, you will have ample time to confirm your participation. This prestigious competition being spread across 3 stages will have its Final Race in November.

We understand that competing in such an event requires time, effort, and dedication. Therefore, we assure you that we will do everything possible to ensure that your participation is as smooth and enjoyable as possible.

We look forward to seeing you at the event!

Regards,

**Organizing Committee**  
**SMME Piston Cup**

# ABOUT SMME PISTON CUP

THE SMME Piston Cup is a prestigious championship trophy awarded to the best off-road car racers of the country. The competition is intense and requires skill, determination, and a deep understanding of the art of off-road car racing. The racing track on which the competition is planned to be held is designed to test the racers' abilities and push them to their limits. The competition is not only a test of speed and endurance but also of strategy and mental agility.

## 3 PHASE COMPETITION

**Rs 5000/-** Per Team

**4-8** Official Members

**31<sup>st</sup> March** Deadline

Business Presentation  
Track Inauguration  
Trophy Reveal  
1st Social Event

### REGISTRATION

Event will initiate with team registrations. SMME Piston Cup founders themselves will visit different universities and encourage interested students to participate in the event. Moreover, you can also choose to be an ambassador for this event. Track inauguration ceremony, trophy reveal and car development seminar will be held at the end of this stage on 24th of May.

### INITIAL PHASE [ 23<sup>th</sup>-24<sup>th</sup> May ]

This stage consists of car development. Our teams will guide you along the manufacturing process during the summer break. You will also be provided a complete rulebook and detailed guidelines. Teams would also be submitting progress reports to the organizing committee, so that our tech support representatives could fix any defects in your models.

## SUMMER BREAK [ FABRICATION ]

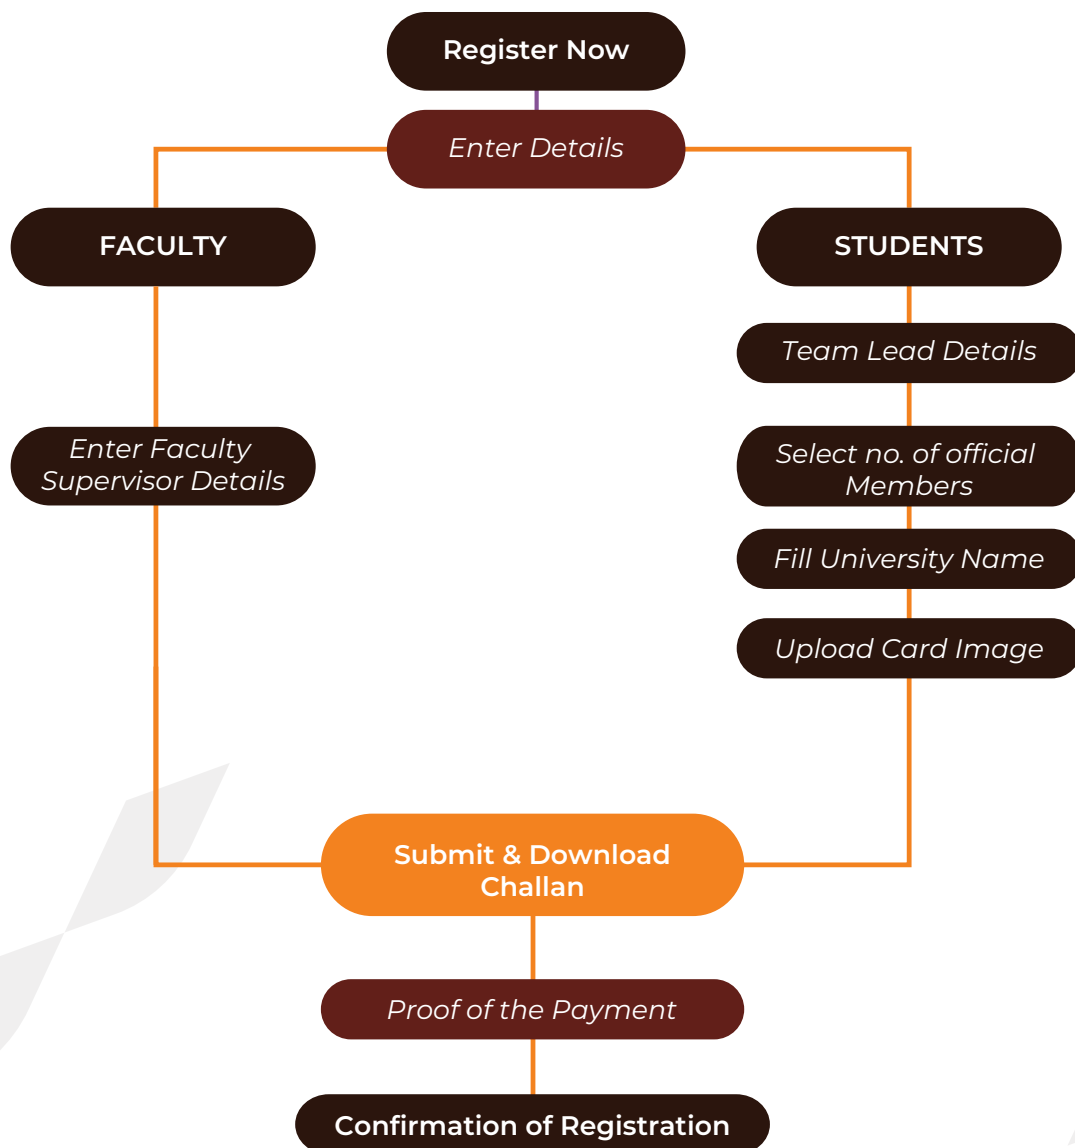

Static and Dynamic Testing  
Final Race Competition  
Prize Distribution  
2nd Social Event

### FINAL PHASE [ 3-5 November ]

In November 2023, the race will be held on our own racetrack at NUST H-12 Campus, Islamabad.

# REGISTRATION PROCESS

Visit <http://spc.smme.edu.pk/>

1. For all the competitions, the decision of the judges will be considered final.
2. Participants should be registered for the event beforehand. Incomplete registration forms will not be accepted.
3. Accommodation is not included in the ticket packages. Students are required to pay for that separately. [ If they avail ]
4. Minimum of 4 and maximum of 8 official members can be registered per team.
5. Proof of payment to be submitted by Team Lead at [contact.spc@smme.edu.pk](mailto:contact.spc@smme.edu.pk).
